The bulls are high quality Angus bulls with high predictability. All bulls can be Registered and can have Genomics testing preformed if desired. Bulls are priced from \$2000 - \$3500, you pick options you want. Just like your truck, from cloth seats to the sun roof!

All bulls will be sold as Guaranteed Breeders. Listed are the Herd Sires and the Dams EPD's. All bulls will be a combination of the Sires and Dams listed.

They can be used on Heifers with confidence. I have put extra tags in the bulls to help identify them on calving ease.

I guarantee all bulls against any injury that would keep them from being a breeder for the first breeding season. Breeding season is defined as the first 90 day period following first turnout of bulls. If a problem occurs, I will bring you a replacement if one is available, or you will receive full credit, minus the salvage value of the original bull, toward another purchase. Bunker Cattle is not liable for any more than the purchase price of the bull.

Delivery

Free delivery in SD.

Terms & Conditions

The terms of the sale are cash. All cattle will sell according to the terms and conditions of the American Angus Association.
